DIAMONDS

Order of me and save money. I deal with the best cutters and largest importers direct; have forty years' experience; am an accurate judge and analyst of these beautiful gems, and diagnose them in all their most delicate and intrinsic characters. I now do not carry stock, but buy the goods for cash as I receive the orders, thus obtaining best discounts. This saves interest on capital invested, rents, salaries and the large per cent of loss incidental to and unavoidable by all dealers who carry stock. The small commission I will charge you for my time, facilities and judgment will be trifling in comparison to the savings between the prices your retail jeweler MUST charge you and mine. Send me a trial order. Upon receipt of goods compare with others, and if not satisfactory, return and get your money. Diamonds remounted in latest artistic designs at lowest prices. Full value allowed for old jewelry.

Send for cut prices of Watches, Diamonds, Jewelry, Silver, Plated or Optical goods, Free Thought and other Badges, Ingersoll spoons and my famous tract: "Theism In The Crucible," free.
